A NATIONAL expert on cyber-bullying is to speak at a conference taking place at a college in Long Eaton next month.

Adrienne Katz has more than 20 years' experience of working with local authorities and the government.

The Trent College went on Thursday, October 18 is being organised by Vilsthorpe Community School, also in Long Eaton.

Head teacher Jonathan Crofts said: 'Cyber-bullying is of growing concern in our schools. There are few secondary schools that have not had to deal with issues of harassment via social networking sites, email or text message.'
